

How to Authenticate This Official PDF Transcript

This official PDF transcript has been transmitted electronically to the recipient, and is intended solely for use by that recipient. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. This document will reveal a digital certificate that has been applied to the transcript, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or [Adobe® Reader](#); it will reveal a digital certificate that has been applied to the transcript. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by Oregon State University, with a valid certificate issued by GlobalSign CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The blue ribbon symbol is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

The current version of Adobe® Reader is free of charge, and available for immediate download at <http://www.adobe.com>.

Office of the Registrar

OREGON STATE UNIVERSITY

Oregon State University is the land-grant institution for the State of Oregon. In 1971 it was designated by the federal government as a sea-grant college, in 1991 received space-grant designation, and in 2004 received sun-grant designation. A second campus, Oregon State University-Cascades Campus, located in Central Oregon, was established in 2001.

CALENDAR

Oregon State University operates on the term or quarter system. Fall, Winter, and Spring terms are each approximately 10 weeks in length followed by a one-week period of examinations. Summer term classes are conducted on 4, 8, and 11 week sessions which run simultaneously. During its existence, the K-12 system operated on the semester system with a full 18-week session Fall and Spring semester. Summer semester was conducted in a 9-week session.

ACCREDITATION

Oregon State University is accredited by the Northwest Commission on Colleges and Universities, the regional accrediting agency. Several departments, schools, and colleges are accredited by professional accrediting associations recognized by the Council on Higher Education Accreditation (CHEA).

FORMER NAMES

Oregon State University was founded on October 27, 1868, as the State Agricultural College of Oregon. In 1929 the name was changed to Oregon State Agricultural College. In 1953 the name was changed to Oregon State College. On March 6, 1961, the name was changed to Oregon State University.

INCOMPLETE/ALTERNATE GRADES

An I/Alternate Grade is depicted on the Oregon State

University transcript as an I/A, I/A-, I/B+, I/B, I/B-, I/C+, I/C, I/C-, I/D+, I/D, I/D-, I/F, I/P, I/N, I/S, and an I/U. This grade is to be treated as if it were an incomplete in all aspects. The notation of the alternate grade symbolizes what grade the student would earn if the student does not resolve the incomplete course work within one year of the recording of the incomplete or at the point of degree conferral (i.e., an I/D- will revert to a D-). Once the incomplete is resolved or defaults to the alternate grade, the "I/Alternate Grade" will be replaced by a standard letter grade.

REPEATED COURSES

From Fall term 1972 to Summer term 1985, only the base grade earned in a course is credited to the student's grade point average and credits toward graduation. Effective Fall term 1985, all grades earned in a course are included in the student's grade point average. A grade followed by an "A" in the repeat column indicates a repeated course that will count in the cumulative grade point average, but not toward graduation. Effective Fall term 1997, courses may be repeated once for grade replacement. Although both grades appear on the transcript, only the second grade counts into the grade point average and toward graduation. Any course taken more than two times and is not repeatable, or previously passed, will appear on the transcript with a grade followed by an "R" indicating the course will not count in the cumulative grade point average, but toward graduation only.

Effective Summer term 2009, if a student repeats a course, the grade from each attempt will appear on the transcript, but only the second attempt will count toward the student's institutional credits, requirements, and grade point average. Any course attempt with a grade followed by an "E" in the repeat column indicates that the course has been excluded from all calculations.

GRADUATION REQUIREMENTS

Bachelor degrees are awarded to students who have successfully completed a prescribed curriculum and all institutional requirements. A minimum of 180 credits must be earned. A minimum of 45 of the last 75 credits, or 150 total credits, must be completed while the student is in academic residence at OSU. Students may earn more than one bachelor's degree with the completion of the additional curriculum and minimum of 32 additional credits. Students earning an advanced degree usually earn a minimum of 45 credits.
